4) How did marriage differ in Egypt, Greece/Rome, and Europe?

5) Can you match the religion to a description of their beliefs on marriage? Catholic, Islam, Judaism, Hinduism, Buddhism, & Sikhism.

6) What 5 reasons do couples divorce for?

7) Under what conditions can you get a marriage annulment?

8) Give some examples of how liking is different from loving AND how love is different from infatuation.

9) Fill in *Sternberg’s Triangular Theory of Love*. Start by defining each component of the triangle: passion, intimacy, & commitment.

10) How does the commitment model view marriage?

11) What is the functionalist’s view of marriage?

12) Describe the trends in Canada w.r.t. age at marriage and divorce rates.

13) Be able to support YOUR opinion on whether or not you will get married. Use supporting facts from this unit to “justify” YOUR opinion. (your opinion is NOT wrong, but you will NOT get full marks unless you use facts from the unit to explain your opinion)
14) What surprised you most from the results of the class survey on desirable traits in a marriage partner?

15) I challenge you to explain each mate selection theory in one word! They are: natural selection, social homogamy, ideal mate theory, & fair exchange.

16) Name each of the 4 filters that occur before the “trial filter” in Mursteins’ Filter Theory? What might individuals be looking for at the trial filter?

17) How does the level of intimacy in a relationship change with time & interactions? (get this answer from the life span intimacy filter graph)

18) Which fact shocked you the most about sexual violence on campuses? Why isn’t silence sexy?

19) I challenge you to explain each stage in a marriage with one word!

20) The 3 non-normative crises that can challenge some relationships are…

21) How does negotiating roles lead to understanding “who we are” as a couple? Use the systems theory to explain your answer.

22) Couples struggle with these 3 dilemmas: individual vs. collective interest, women’s rights vs. male entitlement, and mine vs. yours. What has changed in our society that resulted in these dilemmas?

23) How have Canadian divorce laws changed over time, and what impact has it had on couple relationships?

24) What are the short-term consequences of divorce on children? The long-term consequences?

25) Compare traditional Chinese, Indian, or Jewish weddings to what we’re used to locally.

26) Describe the shift to “we” thinking in a marriage. (refer to the handout or textbook pp.225-227)

27) Brainstorm a couple conflicts that are common in a marriage. Challenge yourself to describe the best way to resolve the conflict. Understand how the diagram for resolving conflict is laid out.

28) Just like marriage, there are three stages of divorce. They are…

29) How come women financially suffer more than men after a divorce?

30) The 5 types of abuse are…

31) How does the cycle of violence trick people into staying in abusive relationships? Why don’t they leave?

32) List some risk factors that increase the likelihood of assault in a relationship.

33) DISCLAIMER: anything covered in unit 3 is fair game for the test on Wednesday.
